

2021 Fall Intentions and Summer Lessons

Dear studio families,

This email contains 2 important points of information that require your attention.

1. Request for intentions for Fall 2021 (due May 1) including annual registration and materials fee (due June 1)
2. Summer offering and schedule request (due May 15)

Now is the time of year that I need to begin thinking about how many open spots I have for new students next school term. **If for any reason your student may be considering not continuing lessons**, please contact me no later than **May 1** (unless we've already been in communication). If I do not hear from you, I will assume that they plan on continuing.

All students who plan on taking lessons for the 2021-2022 school term, will need to pay their **\$90 annual registration and materials fee by June 1** (or with Summer lesson payment).

As a reminder, this non-refundable fee is assessed when you first register then annually in May. The fee covers the annual registration and scheduling process, student materials such as (but not limited to) binders, sheet music, lesson assignment tools, incentives, and (on occasion) physical products such as piano bags, studio t-shirts, etc. as offered. There are no family discounts.

Fall lessons will resume the week of August 23 unless otherwise announced.

Summer Offering 2021

To set your student up for their most successful piano experience and progress, it is strongly advised that they take summer lessons for the first 2-3 years. Otherwise, the 3-month downtime between spring and fall lessons can quickly set back their progress.

As usual, if you opt out of Summer lessons, there is a **\$30 (non-refundable) holding fee** per student (due by June 1) in order to secure your spot in the studio for the fall term.

What – Six 40-minute solo lessons over the course of 7 weeks (six 75-minute lessons if in sibling/buddy lesson setup)

When – June 7-July 23 (Times after 5:00 pm will be limited.)

Summer Recital? – TBD

Cost - \$235 (There are no family discounts given in the Summer.)

Payment – Due in 1 payment

- If paying by cash or check, due **at the first lesson**.
- If paying by Coinhop automatic withdrawal, it will come out on **June 1st**.

Makeups - There are **no guaranteed makeups or reschedules** if you cannot make your time. You will, however, will have 7 weeks to complete your 6 lessons, so you have **one built-in "miss" week**. If for any reason I have to cancel a lesson for an unexpected reason, I will reschedule.

If you plan on taking Summer lessons, please click on this link to fill out your [schedule request form](#) no later than **May 15**.
